

BLACK PARENTS ASSOCIATION

The **Black Parents Association (BPA)** of the San Mateo Union High School District is dedicated to cooperatively promoting quality education for students of African, African American, or multiracial descent while offering the best level of support and information to both students and parents/guardians.

Through collaboration, participation and support, we help to enrich our students' high school journey preparing them to reach their fullest potential.

The BPA is currently seeking its next Board of Directors including President, Treasurer and Secretary. We are also looking for individuals who want to join the association.

In order to serve on the board you need to be:

- At least 18 years old
- Passionate about supporting positive academic and social emotional outcomes for our students
- Able to collaborate on educational and community events that uplift, engage and encourage our students
- Available at least once a month for board meetings
