

How to Register Your Student on SportsNet

SportsNet is a secure online athlete registration system that allows parents/guardians to complete athletic clearance forms for students who would like to participate in Athletics. Below are instructions for creating a parent/guardian account and registering your student.

Before You Begin

Make sure you have the following prior to registering your student:

- Your student's identification number (incoming new students receive number in the Infosnap letter sent from the district)
- The exact spelling of your student's first and last name as it appears on school records
- Your student's health insurance information, including the name of the provider and policy ID. School insurance may also be purchased at <https://www.myers-stevens.com>
- A copy of your student's current physical form to upload during registration. If unable to upload, submit paper form to your student's school Health Office
- Verify that the date of exam, physician signature (physician must be a MD, DO, PA or NP) & physician stamp are on the physical form.
- **Note:** Physicals expire one year from the date of examination. When the physical expires, you may upload the new physical to SportsNet or submit to Health Office.

Creating an Account

- Go to the SportsNet designated website for Capuchino: <https://sportsnethost.com/capuchino>
- Click the Create an Account link near the bottom of the screen
- Enter the required information and submit the form
- Log in to the website with your email address and password
- Follow the instructions prompted on the screen

Registration Process

- Be sure to carefully read the instructions on each screen and provide all required information
- If you are unable to finish in one session, the information you have already submitted will be saved and you can log back in at a later time to finish.
- The school will not receive your submission until you complete the entire process, ending with your final electronic signature. You will then receive an automated email confirming your submission.
- After the school reviews the forms submitted, another email will be sent stating your student is cleared or if additional information is needed to complete clearance.
- **Note:** SportsNet registration is to be completed once every school year.

Support

You may contact Ms. Luna in the Health Office if you have questions at 650-558-2722 or cluna@smuhsd.org.
