

New Public Access Hours for Local High School Stadiums

December 15, 2014

The San Mateo Union High School District's (SMUHSD) top priority is safety. Due to a pattern of unwanted and suspicious behavior on our fields after nightfall, the District is updating the hours that community members can access our fields for recreation.

STARTING DECEMBER 15, 2014*

**Stadium public access hours will be adjusted periodically throughout the year to reflect daylight hours.*

Monday-Friday

- The Burlingame High stadium will be open by 6am.
- Stadium will remain open until the last high school or permit holder activity.
- In line with current policy, community members can access the fields when school is not in session.

Weekends

- Due to available staffing, stadiums will be accessible based on high school and permit use.

We understand that public access to our outdoor facilities is important to the communities we serve, and we will continue to do our best to provide access while ensuring the safety of students, staff and community members.

Questions?

- Call 650.558.2275.
- Visit www.smuhsd.org/stadiumhours for complete details.
