Step 3:

Based on the information that you provided in the Post Secondary Course Request Form, College of San Mateo or Skyline College will invite you to an application and registration workshop to help you enroll in the course/s.

Step 4:

****** Please note that in the event that the student plans to take a course to meet a graduation requirement it is critical that the student communicate with his/her counselor immediately. If the student is unable to receive a passing grade in the course, alternative arrangements will need to be explored to satisfy those requirements.*****
