

AP Exam Registration 2021-22

The AP exam registration window is now open for SMHS Students. The College Board requires students who are enrolled in an AP course, and intend to participate in the AP Exams in May 2022, to register, pay, and commit to taking the exam during the fall semester. To ensure accurate and timely processing of all AP test registrations, the deadline to register and pay for taking AP exams at San Mateo High School is **Friday, October 29, 2021**.

The College Board intends to provide in-person exams this year. Testing begins Monday, May 2, 2022 and runs through Thursday, May 12, 2022.

*****Due to space limitations, we are only offering AP exams to students from San Mateo High School. We will not accept registrations from students outside of SMUHSD.*****

Here is the general timeline for San Mateo High School:

- **October 29th:** Deadline to complete online registration, submit payment, and request financial aid.
 - Fees: \$100 per exam (\$5 per exam if enrolled in Free & Reduced Lunch Program)
- **November 13th:** Begin issuing a \$40 add/drop late fee per exam.
- **January 28th:** Registration officially closes. No additional exams will be ordered or refunds issued.

Students will need to use and navigate two online systems:

- **Total Registration** (<https://user.totalregistration.net/AP/53175>): Students will log into their account to register and pay for the exams, indicate if they qualify for fee reductions, apply for financial aid, and request to use approved SSD accommodations.
- **The College Board Website** (myap.collegeboard.org): Students will log into their College Board account to confirm they are taking the exam by entering a join code from each course and to access online learning tools.

AP Registration Workshop for SMHS students (virtual): Thursday, September 16th, during tutorial. Please check Canvas for the Zoom link.

If you have questions, please feel free to reach out to your AP teacher, school counselor, or Mr. Holtz.
