Only the following issues may be the subject of this complaint process. If you wish to complain about an issue not specified below, please contact the school or district for the appropriate district complaint procedure.

Specific issues(s) of the complaint:
(Please check all that apply. A complaint may contain more than one allegation.)

1. Textbooks and Instructional Materials: (Education Code 35186; 5 CCR 4681)

☐ A student, including an English learner, does not have standards-aligned textbooks or instructional materials or state or district-adopted textbooks or other required instructional materials to use in class.
☐ A student does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each student.
☐ Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.
☐ A student was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

2. Teacher Vacancy or Misassignment (Education Code 35816; 5 CCR 4681)

☐ A semester begins and a teacher vacancy exists. A teacher vacancy is a position to which a single designated certificated employee has not been assigned at the beginning of the school year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.
☐ A teacher lacking credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learners in the class.
☐ A teacher is assigned to teach a class for which the teacher lacks subject matter competency.
3. Facility Conditions (Education Code 17592.72, 35816, 35292.5; 5 CCR 4683)

☐ A condition exists that poses an emergency or urgent threat to the health or safety of students or staff, including: gas leaks, nonfunctioning heating, ventilation, fire sprinklers or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to students or staff; structural damage creating a hazardous or uninhabitable condition; and any other condition deemed appropriate by the district.

☐ A school restroom has not been cleaned or maintained regularly, is not fully operational, or has not been stocked at all times with toilet paper, soap, and paper towels or functional hand dryers.

☐ For a school that serves students in any grade 9-12 with 40 percent of more of its students from low-income families, as defined, the school has not stocked at least half of its restrooms with feminine products at all times and made those products available to students at no cost.

☐ The school has not kept all restrooms open during school hours when students are not in classes and has not kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when temporary closing of the restrooms is necessary for student safety or to make repairs.

Please describe the issue of your complaint in detail. You may attach additional pages and include as much text as necessary to fully describe the situation. For complaints regarding facilities conditions, please describe the emergency or urgent facilities condition and how that condition poses a threat to the health or safety of students or staff.
