

E-College

An alternative education program of the San Mateo Union High School District based at the College of San Mateo.

Why E-College?

Are you looking for a flexible program that can more effectively cater to your academic learning style? Would you benefit from a more independent and flexible learning environment?

E-College combines the high school experience with a myriad of online courses and in-person instruction taught by Community College Professors. It is a combination of independent study and concurrent college enrollment. College units satisfy your diploma requirements while you work on your undergraduate degree at the same!

Highlights

- **Earn a high school diploma AND college credit at the same time:** Students are allowed to take independent studies courses in conjunction with College of San Mateo courses to meet graduation requirements for a comprehensive high school diploma while also earning college credits.
- **Free College Units:** SMCCD courses are available to any student concurrently enrolled in San Mateo County for free. Students may take over 12 units. Students must take at least one college course to be enrolled in e-College.
- **Flexible Schedule:** Students are able to choose their own schedule based on the courses, days and times they choose! There are asynchronous, Zoom and in-person college courses.
- **Access to Extracurricular Activities:** Students can still participate in all extra-curricular activities at their home school sites, including athletics, dances, and clubs
- **Access to Counselors:** Students can still receive counseling support at their home school site
- **Dedicated staff person:** The E-College Coordinator works collaboratively with school site counselors, an onsite wellness counselor and administrators to ensure students meet their fullest potential.

Typical Student

- Self-starters who are proactive, efficient, work well independently and are ready for a college setting
- Students in need of a smaller, individualized educational setting

Fall 2023 Enrollment

- Students interested in attending e-College or Independent Study need to meet with their counselor to review their graduation plan and fill out a new contract.
- All Alternative programs need a new k12 Form submitted each semester
- [Download the 2022-2023 CSM Catalog](#)
- Independent Studies (Edgenuity) courses start **Wednesday, August 16, 2023**
- Fall enrollment/registration begins **Wednesday, May 17, 2023**
