Annual Fund

What is the Annual Fund?

The Annual Fund was established to raise funds to support the educational needs of our students and fill in any District funding gaps. The funds raised will provide for:

- Continuing to support and build our STEAM (Science, Technology, Engineering, Art and Math) program
- Extra counseling support for students
- Purchasing new equipment and materials necessary for laboratory sciences, art, and Career Technical Education classes
- Classroom instructional technology
- Teacher requests for classroom supplies and support for academic programs
- Student requests for projects or initiatives that relate to our school goals
- The Mills Annual Fund is used to support every Mills student as determined by the School Site Council (also known as Mills Planning Committee), a council consisting of parents, teachers, students, and administrators.
- Monies donated to the Mills Annual Fund are raised and collected by the Viking Parent Group (Mills PTO), a non-profit corporation recognized as a tax-exempt organization under Internal Revenue Service code 501(c)(3). Your donation may be tax-deductible. Tax ID#94-2353182. Please check with your employer for matching donation eligibility. (Note: some employer plans require matching funds for donations be requested before end of calendar year).

The Thunderbolt

Proudly Serving the Mills Community

The *Thunderbolt* has a rich tradition of reporting campus life at Mills High School. For over 60 years and counting, our award-winning newspaper has spotlighted student achievements, reported sporting events and informed the Mills community of the latest news. Unfortunately, the *Thunderbolt's* tradition of producing the print newspaper is in serious jeopardy due to financial difficulties. We are a financially self-sufficient student newspaper. However, our operating budget has plummeted dramatically as a result of fewer subscriptions and a lack of advertisements, making it nearly impossible to continue printing the newspaper. Eliminating the newspaper from our campus would leave a void in the community and be devastating to the students of Mills.

In order to ensure our survival, we are asking you to financially support the *Thunderbolt* by subscribing to the newspaper. Your subscription will ensure the continuation of our publication and provide you with a window into your student's world.
