Agriculture & Environment	Michot	253	Thursday lunch	Section 1: Chapter-based organization that encourages its student members to engage in sustainable living and environmental stewardship and advocacy. Section 2: The purpose of the organization and its chapters is to have student members conduct environmental service projects in their schools and communities. NGSS facilitates awards and recognition for students who exhibit outstanding achievement in environmental stewardship. Section 3: Advocate for environmental justice, and to make others aware of environmental issues. Encourage others to live more sustainably.
Black Student Union	Burdette	145	Twice a month during lunch	The purpose of the BSU (black student union) is to create awareness about African American concerns, realities, history, and culture. Additionally, it will act as a support system for black students across campus who may experience different kinds of social discomfort as a result of interactions with other students, administrators, and teachers. Most importantly, we are an organization committed to social justice. We want our membership to be truly inclusive to all, regardless of race, ethnicity, religion, sex, and sexual orientation. What we do: One of the central activities will be exploring and celebrating Hip Hop as a powerful medium that effectively communicates societal issues facing Black culture. There are many important messages in Hip Hop lyrics that can help us better understand social concerns faced by the black community. We will explore the messages through rap, spoken word, and film.
Bridge Team	Rustia	218	Every Friday 3:30-5:00pm	Teach students how to play bridge and participate in tournaments.
Bridging the Gap	Loi	306	Mondays at lunch	Help freshmen in their transition to high school by pairing them up with an upperclassmen.
