## Financial Support for Families

### Access Student Events & Programs

We want every BHS student to have access to all school programs and events. Whether it's purchasing a yearbook, providing tickets to a dance or supporting senior events -- we are here to help! Email Ms. Marty ([nmarty@smuhsd.org](mailto:nmarty@smuhsd.org)) to learn more. All requests and discussions are completely confidential.

### Get Target Gift Cards

If your family could benefit from additional help with essentials, we have Target gift cards to share. We know it's not enough to solve all problems, but we hope it offers some assistance. Email Ms. Marty ([nmarty@smuhsd.org](mailto:nmarty@smuhsd.org)) to learn more. All requests and discussions are completely confidential.

### Learn About Ongoing Assistance

BHS Family Engagement Coordinator, Ms. Vannini ([gvannini@smuhsd.org](mailto:gvannini@smuhsd.org)) is available to discuss how to access ongoing support from both our District and local social service agencies. Ms. Vannini works closely with the Parents Group to support our mission of creating a connected and inclusive BHS community.
