

Vaping: What You Need to Know

Join us for an **educational, evidence-based** presentation with a focus on young people. Learn from representatives from the Youth Leadership Institute and the County of San Mateo Health System.

The presentation will cover:

- What is vaping?
- What do the products look like?
- What are the health impacts of this trend?
- Information about marijuana and vaping!
- What parents can do!

Thursday, April 11

Burlingame High School • 1 Mangini Way • Burlingame

Presentation: 6:00 - 7:00 p.m.

Panel Discussion and Q&A: 7:00 - 8:30 p.m.

Doors will open at 5:30 p.m. for guests to access community agencies and resources.

Spanish and Chinese interpretation will be available.

Free childcare will be available.

This free event is open to the entire San Mateo Union High School District Community, but registration is required: www.smuhsd.org/VapeEducation
