Authorization for Medication(s) to be Taken During School Hours**

Pursuant to Section 49423 and subdivision (b) of Section 49423.6 of the California Education Code, any pupil who is required to take, during the regular school day, prescribed medication may be assisted by a school nurse or other designated school personnel if both of the following conditions are met: (a) The pupil's authorized health care provider executes a written statement specifying, at a minimum, the medication the pupil is to take, the dosage, and the period of time during which the medication is to be take, as well as otherwise detailing (as may be necessary) the method, amount, and time schedule by which the medication is to be taken. (b) The pupil's parent or legal guardian provides a written statement initiating a request to have the medication administered to the pupil or to have the pupil otherwise assisted in the administration of the medication, in accordance with the authorized health care provider's written statement.

With the approval of the pupil's authorized health care provider and the approval of the pupil's parent or legal guardian, a local education agency may allow a pupil to carry medication and to self-administer the medication.
