

Greetings Capuchino Families,

You are cordially invited to Capuchino High School's virtual Back to School Night. Though our activities will look different, we hope to equip you with a strong understanding of our goals for the year, an overview of opportunities for students, how to best monitor student progress, and how to communicate with CHS staff.

A **virtual whole school presentation will take place on Thursday, 9/10 from 6:30 - 7:00 pm**. Please utilize the Zoom link below to join. We hope that all of our parents/guardians will attend this brief presentation. Following, you will be able to view **teacher video recordings for each of your student's courses**. These videos will offer a teacher introduction, overview of the course, and other relevant information. Each of these videos will be posted in Canvas.

~ A reminder that this **Friday, 9/4 remains a minimum day schedule** in order to provide time for teachers to create their course videos ~
