

EL Designations

ELD I

An ELD I student is beginning to: Use English as a means of communication
Communicate primarily in their native language

ELD II

An ELD II student is able to: Use English as a means of communication and is beginning to use it for learning

ELD III

An ELD III student is able to: Use English as a means of learning content in the mainstream program

EL not in ELD

An EL not in ELD student is a student continuing to work towards English language proficiency while taking mainstream classes and getting language development support.

RFEP

An RFEP student is one who met the exit criteria in our district or a partner district and is fluent English proficient. We monitor all students who have been recently reclassified for four years.
