Notification of Parent/Guardian Annual Rights and Responsibilities

The San Mateo Union High School District hereby provides the annual notification of the rights and responsibilities of the parent/guardian. State and federal law requires that parents be notified of their rights and responsibilities in certain matters pertaining to their children's education. Copies of all procedures described in this notification are available free of charge. If you wish further information on these or any other subjects, please contact the Principal at your student's school or the District Office.

AVAILABILITY OF STATE FUNDS TO COVER COSTS OF ADVANCED PLACEMENT AND INTERNATIONAL BACCALAUREATE EXAMINATION FEES

School districts may apply to the State Department of Education for grant funding, when available, to assist economically disadvantaged pupils in paying for advanced placement and International Baccalaureate examination fees. School districts that apply for these grants must designate specific school district staff to whom pupils may submit applications for grants and must institute a plan to notify pupils of the availability of financial assistance. For more information about the grant funding, contact the Assistant Principal of Instruction at your school. (Ed. Code §§ 48980(k) and 52242.)

COMPREHENSIVE SEXUAL HEALTH EDUCATION AND HIV/AIDS PREVENTION

A parent or guardian of a pupil has the right to excuse their child from all or part of comprehensive sexual health education, HIV/AIDS prevention education, and assessments related to that education, as follows:

A parent/guardian may request in writing that his/her child be excused from participating in HIV/AIDS prevention or sexual health education. Students so excused by their parents/guardians shall be given an alternative educational activity. (Education Code [51240](#), [51939](#))

Parents or guardians may inspect the written and audio visual educational materials used in comprehensive sexual health education and HIV/AIDS prevention education. Parents have a right to request that the District provide them with a copy of Ed. Code section 51938.

Every pupil's parent or guardian will be notified prior to the commencement of any comprehensive sexual health education and HIV/AIDS prevention education instruction as to the date of such instruction and whether the instruction will be taught by District personnel or by outside consultants. If outside consultants are used, the name of the organization of each guest speaker will be identified. Parents and guardians have a right to request that the District provide them with a copy of Education Code sections 51933 and 51935.

Parents and guardians will be notified in writing that such a test, questionnaire or survey is to be administered and given an opportunity to review the test, questionnaire or survey and be informed that in order to excuse their child, they must state their request in writing. If a school receives a written request from the parent or guardian excusing a student from this activity, the student may not be subject to disciplinary action, academic penalty or other sanction and an alternative educational activity must be made available to the student. (Ed. Code §§ 51938(c) and 51939.)

ADMINISTRATION OF MEDICATION AT SCHOOL

Medication prescribed or ordered by a physician/health care provider for a student may be administered during the school day by a registered nurse, the Student Health Coordinator or other designated school personnel, or be self-administered by the student, if the parent/guardian consents in writing and provides detailed written authorization and instructions from a physician/health care provider (MD [medical doctor], NP [nurse practitioner], PA [physician assistant], or DO [doctor of osteopathic medicine]). **This includes ANY medication, including “over the counter” medication available without a prescription from a health care provider.** All authorizations for medications are required to clearly state the name and nature of the medication, the method of administration, the amount/dosage, the time of administration, and provide a release of information for the Student Health Coordinator or other designated personnel to consult with the student’s physician/health care provider regarding any questions that may arise with regard to the medication. Authorizations for students to self-medicate must also confirm (by parent/guardian and physician/health care provider) that the student is able to self-medicate and release the School District and school personnel from civil liability if the self-administering student suffers an adverse reaction as a result of self-administering medication pursuant to this law. Medication authorizations are required at least annually and more frequently if the medication, dosage, frequency of medication, or reason for administration changes. (CCR, Title 5, § 605, & Ed Code §§ 49423, 49423.1, 49423.5) [The Authorization for Medication\(s\) to be Taken During School Hours form](#) is available in the school Health Office, on the Aeries Parent Portal, and in the “Health” section of the District website (www.smuhsd.org). If your student requires medication during the school day, please return the completed form to the school Health Office by the first day of school.

STUDENTS ON MEDICATION

Parents/guardians are to notify the school if their student is on a continuing medication regimen. This notification shall include the name of the medication being taken, the dosage, and the name of the supervising physician/health care provider. With parental consent, the Student Health Coordinator or other designated personnel may confer with the physician/health care provider regarding possible effects of the drug (including symptoms of adverse side effects, omission, overdose, or altered behavior) and counsel with school personnel as deemed appropriate. (Ed. Code § 49480.)

IMMUNIZATIONS

The District shall exclude from school any pupil who has not been immunized properly and will notify the parent/guardian that s/he has two weeks to supply evidence that the student is immunized. Some exceptions are allowed for medical reasons (licensed physician, MD or DO, written statement required) or for students classified as homeless. January 1, 2016 was the deadline for parents to exempt their children from required immunizations based on their religious or personal beliefs. Students who had a signed waiver based on religious or personal beliefs on file by January 1, 2016 are exempt from the immunization requirement until they complete the "grade span" they were in as of January 1, 2016. Grade spans are defined as: (1) birth through preschool, (2) Kindergarten through 6th grade, and (3) 7th through 12th grade. Students entering the District for the first time after January 1, 2016 are no longer exempt from immunizations based on religious or personal beliefs. Students who have a medical exemption issued before December 31, 2020 will be allowed continued enrollment until they enroll in the next grade span. As of January 1, 2021, the District will only accept medical exemptions submitted on the California Department of Public Health’s standardized, statewide medical exemption certification form, which the student’s licensed physician or surgeon must complete and submit directly to the California Immunization Registry. (Health & Safety Code section 120372(a).)

Pursuant to Health & Safety Code section 120325, a parent may consent in writing for a physician, surgeon, registered nurse or Student Health Coordinator acting under the direction of a supervising physician and surgeon to administer an immunizing agent to a pupil at school. The District shall cooperate with local health authorities in the control of communicable disease and immunizations. (Ed. Code §§ 48216, 48980(a), 49403). **Students will not be admitted to classes without an immunization record meeting state documentation requirements or an exemption document on file in the Health Office.** Information regarding important immunizations available for adolescents, including Tdap (tetanus-diphtheria-acellular pertussis), meningococcal, HPV, and others, are available in the Health Office or from the Student Health Coordinator upon request.

EMERGENCY TREATMENT OF ANAPHYLAXIS

Pursuant to California Education Code (EDC) section 49414, the District will provide emergency epinephrine auto-injectors to the Student Health Coordinator, Health Aides, and trained volunteers who may use epinephrine auto-injectors to provide emergency medical aid to students/persons suffering, or reasonably believed to be suffering, from anaphylaxis (severe and potentially life-threatening allergic reaction), regardless of known history.

PHYSICAL EXAMS AND SCREENINGS

District policy requires that all students registering in the San Mateo Union High School District shall present a Medical Examiner's Statement from a physician/health care provider (MD [medical doctor,] NP [nurse practitioner], PA [physician assistant], or DO [doctor of osteopathic medicine], no later than the close of the first semester. The Medical Examiner's Statement is available in the "[Health](https://www.smuhd.org/Page/2374)" section of the District website (<https://www.smuhd.org/Page/2374>) and in the Health Office. If you wish to waive this requirement for your student, you must file a written request to the school principal. (Board Policy 5141.3) The District is required to conduct certain physical examinations, vision and hearing screening of students, unless the parent provides written objection annually. A student may be sent home when there is reason to believe that h/she is suffering from recognized contagious disease and will be allowed to return only when the District staff is satisfied that the student is not contagious or infectious. The District shall cooperate with local health authorities in the control of communicable disease. (Ed. Code §§ 49451, 49452, 49452.5, 49455 & 49403, Health & Safety Code § 124085.)

INSPECTION OF STUDENT RECORDS

State law requires that the District notify parents/guardians of the following rights which pertain to student records. (Ed. Code, §§ 49063, 49069, 34 C.F.R. § 99.7)

- a) A parent or guardian has the right to inspect and review student records relating directly to his or her child during school hours or obtain a copy of such records within five (5) business days of his/her request.
- b) Any parent/guardian who wishes to review the types of student records and information contained therein may do so by contacting the principal at his/her child's school. The principal of each school is ultimately responsible for maintenance of student records.
- c) A parent/guardian with legal custody has a right to challenge information contained in his/her child's records. Any determination to expunge a student's record is made after a review of said record(s) by site administrators and certificated staff. Following an inspection and review of student records, the parent/guardian may challenge the content of the student's record. The right to challenge becomes the sole right of the student when the student becomes eighteen (18) years of age.

The parent/guardian may file a written request with the Superintendent of the District to remove any information recorded in the written records concerning the child which is alleged to be:

- (1) Inaccurate.
- (2) An unsubstantiated personal conclusion or inference.
- (3) A conclusion or inference outside of the observer's area of competence.
- (4) Not based on the personal observation of a named person with the time and place of the observation.
- (5) Misleading.
- (6) In violation of the privacy or other rights of the pupil.

Within thirty (30) days, the Superintendent shall meet with the parent/guardian and the certificated employee who recorded the information, if any, and if the person is still employed with the District, and sustain or deny the allegations. If the allegations are sustained, the Superintendent shall order the correction, removal or destruction of the information. If the Superintendent denies the allegations, the parent/guardian may appeal the decision to the Governing Board within thirty (30) days. The Board shall determine whether or not to sustain or deny the allegations. If the Board sustains the allegations, it shall order the Superintendent to immediately correct, remove or destroy the information from the written records of the student. (Ed. Code § 49070)

If the final decision of the Board is unfavorable to the parents/guardians, or if the parent/guardian accepts an unfavorable decision by the District Superintendent, the parent/guardian shall have the right to submit a written statement of objections to the information. This statement shall become a part of the student's school record until such time as the information objected to is removed.

Both the Superintendent and the Board have the option of appointing a hearing panel in accordance with Education Code sections 49070-49071 to assist in the decision making. The decision as to whether a hearing panel is to be used shall be made at the discretion of the Superintendent or the Board and not of the challenging party.

- d) A Student Records Log is maintained for each student. The Student Records Log lists persons, agencies or organizations requesting and/or receiving information from the records to the extent required by law. Student Record Logs are located at each school and are open to inspection by parents or guardians. (Ed. Code, § 49064)

- e) School officers or employees having a legitimate educational interest may access student records without first obtaining parental or guardian's consent. "School officers and employees" are persons employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and District-employed law enforcement personnel), a Board member, a person or company with whom the District has contracted to perform a special service (such as an attorney, auditor, medical consultant, or therapist), or a parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A "legitimate educational interest" is one held by a school officer or employee whose duties and responsibilities create a reasonable need for access. (Ed. Code, §§ 49063(d), 49076)
- f) Parents and guardians have the right to authorize the release of student records to themselves. Only parents and guardians with legal custody can authorize the release of student records to others.
- g) Parents and guardians will be charged .02 cents per page for the reproduction of student records.
- h) Parents/guardians have a right to file a complaint with the U.S. Department of Education for alleged violations of parent rights related to student records. (20 U.S.C. § 1232g)
- i) Parents/guardians may obtain a copy of the District's complete student records policy by contacting the Superintendent.

INFORMATION GATHERED FROM STUDENT SOCIAL MEDIA

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and BP/AR 5125 - Student Records. Students and their parents/guardians are entitled to access and challenge the veracity of such information. The student or student's parent/guardian may request the removal of information or make corrections to information gathered or maintained from social media.

To access this information, please contact:

District Technology Support Group
 650 N. Delaware Street, San Mateo
 phone: (650) 558-2496 or email info@smuhsd.org

Information gathered from social media sources must be destroyed within one year of the student turning 18, or from the student's departure from the school district, whichever occurs first.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

In addition, parents/guardians have certain rights regarding student information and records which are guaranteed under federal law. A handout notifying parents/guardians of these rights is attached.

DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that San Mateo Union High School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your student's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the district to include this type of information from your student's education records in certain school and/or district publications. Examples include:

- A playbill, showing your student's role in a drama production
- The annual yearbook
- Honor roll or other recognition lists
- Graduation programs
- Sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the

district that they do not want their student's information disclosed without their prior written consent. If you do not want the district to disclose directory information from your student's education records without your prior written consent; you must notify the district in writing by August 15, 2019. The district has designated the following information as directory information:

- Student's name
- Address
- Telephone number
- E-mail address
- Date of birth
- Major field of study
- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Dates of attendance
- Degrees and awards received
- Most recent previous school attended

The district also may disclose your student's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, provided it cannot be used to access education records without a personal identification number (PIN), password, or other factor that only the authorized user knows. Your student's social security number will not be used for this purpose.

HOMELESS STUDENTS/RELEASE OF DIRECTORY INFORMATION

Written consent of the parent/guardian or that of the student, if accorded parental rights, must be obtained before directory information pertaining to a homeless student may be released. (Ed. Code § 49073(c) and 20 USC § 1232g.)

MILITARY RECRUITER INFORMATION

Federal law and Education Code section 49073.5 require that school districts disclose the names, addresses and telephone numbers of high school students to military recruiters upon request, unless parents/guardians request that this information not be released without prior written consent. Parents/guardians have the option of making such a request. If parents/guardians do not wish this information to be provided to military recruiters, they must notify the District Office in fact in writing. The Military Recruiters information request, is part of the annual on-line enrollment process (the Aeries Parent Portal).

REVIEW OF CURRICULUM

A prospectus of curriculum, including titles, descriptions, and instructional aims of every course offered by a public school, shall be compiled at least once annually in a prospectus. Each school site shall make its prospectus available for review upon request. Copies are available upon request for a reasonable fee not to exceed the actual copying cost. (Ed. Code §§ 49063 and 49091.14.)

ENGLISH LANGUAGE DEVELOPMENT (ELD)

The parent/guardian of all potential English learners (ELs) shall be notified in writing about program options for ELs. They will also be notified regarding their right to visit the program/classes, their right to request a withdrawal from the program, their option to request a waiver, and their right to participate in the school and district English Learner committees. (Ed. Code 52173.) In order to determine the student's English proficiency, the San Mateo Union High School District requires a parent/guardian to complete a Home Language Survey upon enrolling his/her student in the district school. A parent/guardian with questions about programs for English Learners should contact the Assistant Principal for Instructional Services at the school site.

ENGLISH LEARNERS

Federal law requires prior notice be given to parents/guardians of limited English Learners regarding English Language Development proficiency programs, including the reasons for the identification of the student as an English Learner, the need for placement in a language instruction educational program, the student's level of English proficiency, how such level was assessed, the status of the student's academic achievement, the methods of instruction used in the programs, parent options for programs that will meet the student's needs, program performance, parent options to remove a student

from a program and/or to decline initial enrollment, and expected rate of transition into classrooms not tailored for limited English proficient students. (20 USC § 6312.)

Instruction in at least two core content classes is provided in the primary language. A teacher with EL Authorization provides ELD instruction in either an ELD class or a mainstream English class. Parents/guardians, who want to submit a waiver must come to the school personally, request the waiver form and complete it.

If you have any questions, please contact the English Learner Specialist at your student's school.

Code §§ 60615, 60604, 60640 and 5 CCR 852.)

STUDENT DISCIPLINE

PARENT'S REQUIRED ATTENDANCE

Parents or guardians may be required to attend their student's class if he or she is suspended for unruly or disruptive conduct. (Ed. Code §§ 48900.1 and 48914.)

GROUND'S FOR SUSPENSION OR EXPULSION; LEGISLATIVE INTENT

A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivision (a) to (r), inclusive. (Ed. Code § 48900.)

ADDITIONAL GROUND'S FOR SUSPENSION AND EXPULSION

A pupil enrolled in any of grades 4 to 12, inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has intentionally engaged in harassment, threats, or intimidation directed against school district personnel or pupils, that is sufficiently severe or pervasive to have the actual and reasonably expected effect of materially disrupting classwork, creating substantial disorder, and invading the rights of either school personnel or pupils by creating an intimidating or hostile educational environment. (Ed. Code § 48900.4.)

TRANSFER OF SUSPENSION AND EXPULSION DISCIPLINARY RECORDS

The District will forward student records, including suspension and/or expulsion disciplinary records, to other schools that have requested the records and in which the student seeks or intends to enroll. (34 CFR §§ 99.7 and 99.34 (a)(ii).)

ALL CAMPUSES ARE CLOSED CAMPUSES

Students who leave campus without permission are subject to disciplinary procedures. Once students arrive at school they must remain on campus (including brunch and lunch) until the end of the school day, unless they have provided to school authorities permission to leave, for a specific purpose – prior to leaving. (Board Policy 5112.5.)

TEMPORARY DISABILITY / INDIVIDUAL INSTRUCTION

A temporary disability which makes it impossible or inadvisable for a student to attend class may entitle the student to receive individualized instruction either: (1) at home provided by the school district in which the student resides; or (2) in a hospital or other residential health facility, excluding state hospitals, provided by the school district in which the hospital or residential health facility is located.

“Temporary disability” means a physical, mental or emotional disability incurred while a student is enrolled in regular day classes or an alternative education program to which the student can reasonably be expected to return. “Temporary disability” does not include a disability that would qualify a student as a “student with exceptional needs” under Education Code section 56026.

A student with a temporary disability who is in a hospital or other residential health facility, excluding a state hospital, which is located outside of the school district in which the pupil's parent or guardian resides shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. Once the parent has notified the district in which the hospital is located of the student's presence in the qualifying hospital, the district has five working days to notify the parent if individualized instruction shall be made available. If the determination is positive, individualized instruction shall commence within five working days.

Individual instruction in a student's home must commence no later than five working days after a school district determines that the student shall receive this instruction.

When a student receiving individual instruction is well enough to return to school, s/he must be allowed to return to the school that s/he attended immediately before receiving individual instruction, if the student returns during the school year in which the individual instruction was initiated.

Students enrolled in individual instruction in a hospital or other residential health facility for a partial week, are entitled to attend school in his/her school district of residence, or to receive individual instruction provided by the school district of residence in the student's home, on days in which he or she is not receiving individual instruction in a hospital or other residential health facility, if s/he is well enough to do so.

Absences from the student's regular school program due to the student's temporary disability are excused until the student is able to return to the regular school program.

(Ed. Code §§ 48206.3, 48207, 48207.3, 48207.5, 48208, 48240 (c) and 48980(b).)

Those students who are eligible can qualify for either a reduced or free meal during both the breakfast and lunch times. Participating students are not identified or treated differently. [The free and reduced lunch application](#) is now part of the annual online registration process, or the application can be found on the District website www.smuhsd.org. (Ed. Code § 49510 et seq.)

MEDICAL COVERAGE FOR INJURIES

The San Mateo Union High School District does not carry medical or dental insurance for students if injured on school premises, while under school jurisdiction, or during District-related activities. For this reason, the District has made available a voluntary medical and dental insurance plan for presentation to a parent/guardian at a reasonable cost. (Ed. Code § 49472.)

MEDICAL AND HOSPITAL SERVICES NOT PROVIDED

The District does not provide medical and hospital services for students injured while participating in athletic activities. However, all members of school athletic teams must have accidental injury insurance that covers medical and hospital expenses. (Ed. Code §§ 32221.5 and 49471.)

STUDENTS IN ACTIVE DUTY MILITARY FAMILIES / RESIDENCY RETENTION AND MATRICULATION

A student living in the household of an active duty military service member must be allowed to continue attending the student's school of origin for the remainder of the school year if the family moves.

A student from an active duty military family who is transitioning between school grade levels must be allowed to continue in the school district of origin and in the same attendance area of his/her school of origin. If the student is transitioning to middle school or high school, and the school designated for matriculation is in another school district, the local educational agency must allow the student to continue to the school designated for matriculation in that school

district. The new school must immediately enroll the student, even if the child has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or if the student is unable to produce clothing or records normally required for enrollment.

If the parent/guardian's military service ends during the school year, then the student is allowed to stay in his/her school of origin for the remainder of the school year if s/he is in grades 1-8, or through graduation if the student is in high school. (Ed. Code § 48204.6.)

MIGRATORY CHILDREN– RESIDENCY RETENTION

Currently migratory children, who are enrolled in a school district due to a parent's or immediate family member's temporary or seasonal employment in an agricultural or fishing activity, as defined by Education Code section 54441, must be allowed to continue in their schools of origin, regardless of any change of residence during that school year, for the duration of their status as migratory children. When a student's status as a migratory child changes during the school year, the school district must: (1) allow K-8th graders to continue in their schools of origin for the remainder of that school year; and (2) allow 9-12th graders to continue in their schools of origin through graduation.

Migratory children and their parents/guardians must be informed of the impact that remaining in their schools of origin will have on their eligibility to receive migrant education services.

RESIDENCY RETENTION FOR THE STUDENTS OF DETAINED OR DEPORTED PARENTS Students retain residency in a school district, regardless of the students' current residency, when both of the following requirements are met:

- a) the student's parent or guardian has departed California against his or her will, and the student can provide official documentation evidencing the departure; and
- b) the student moved outside of California as a result of his or her parent or guardian leaving the state against his or her will, and the student lived in California immediately before moving outside the state. The student must provide evidence of enrollment in a California public school immediately before moving outside the state.

Deported parents may designate another adult to attend school meetings and to serve as an emergency contact. No charges or fees of any kind, as allowed under Education Code section 48050, may be required for admission or attendance in these circumstances. These students will be included in computing ADA for the purpose of obtaining apportionment state funds.

This law applies to parents who are: (1) in the custody of a government agency and are transferred to another state; (2) subject to a lawful removal order and who were removed or were permitted to leave California voluntarily before being removed; and (3) subject to any additional circumstances consistent with these purposes, as determined by the school district. (Ed. Code § 48204.4.).

IMMIGRATION ENFORCEMENT - "KNOW YOUR RIGHTS"

All students have the right to a free public education, regardless of immigration status or religious beliefs. For more information, please see the resources developed by the California Attorney General at <https://www.oag.ca.gov/immigrant/rights>

ENROLLMENT – STUDENT RESIDENCY/ATTENDANCE OPTIONS

A student may be enrolled in the District if (1) the student's parent, legal guardian or other person having control and charge of the student resides in the District (Ed. Code § 48200); (2) the student is placed in a regularly established children's institution, licensed foster home, or family home; (3) he or she is an emancipated student who lives within the District; (4) the student lives in the home of an adult who has submitted a caregiver affidavit; or (5) the student resides in a state hospital within the District. (Ed. Code § 48204.) The law allows, but does not require, a district to accept a student for enrollment where one or both of the student's parents or legal guardian is physically employed within the District's boundaries for at least 10 hours per school week. (Ed. Code § 48204.) The District approves interdistrict and intradistrict transfer requests for the students of District employees who work at least half time. (AR 5111.12) All districts must inform parents/guardians at

the beginning of the school year how to enroll in a school within the district that is different than the one assigned. Students who attend schools other than those assigned by the district are referred to as “transfer students” throughout this notification. There is one process for choosing a school within the District which the parent/guardian lives (intradistrict transfer), and three separate processes for selecting schools in other districts (interdistrict transfer.) (Ed. Code § 48980 (h).) Attached is a copy of the District’s Policy for interdistrict and intradistrict transfers. Parents/guardians interested in interdistrict or intradistrict transfers should contact Student Services located at 650 N. Delaware Street, San Mateo, CA 94401. The general requirements and limitations of each process are described as follows:

Choosing a school within the District in which parent lives: Education Code section 35160.5 (b) requires the school board of each district to establish a policy that allows parents/guardians to choose the schools their children will attend, regardless of where the parent/guardian lives in the district. The law limits choice within a school district as follows:

- Students who live in the attendance area of a school must be given priority to attend that school over students who do not live in the school’s attendance area.
- In cases in which there are more requests to attend a school than there are openings, the selection process must be “random and unbiased,” which generally means students must be selected through a lottery process rather than a first-come, first-served basis. A district cannot use a student’s academic or athletic performance as a reason to accept or reject a transfer.
- Each district must decide the number of openings at each school which can be filled by transfer students. Each district also has the authority to keep appropriate racial and ethnic balances among its schools, meaning that a district can deny a transfer request if it would upset this balance or would leave the district out of compliance with a court-ordered or voluntary desegregation program.
- A district is not required to provide transportation assistance to a student that transfers to another school in the district under these provisions.
- If a transfer is denied, a parent/guardian does not have an automatic right to appeal the decision. A district may, however, voluntarily decide to put in place a process for parents/guardians to appeal a decision.

CHOOSING A SCHOOL OUTSIDE DISTRICT IN WHICH PARENT LIVES

Parents/guardians have three different options for choosing a school outside the district in which they live. The three options are:

i. Districts of Choice (Ed. Code, § 48300–48315): The law allows, but does not require, each school district to become a “district of choice”—that is, a district that accepts transfer students from outside the district under the terms of the referenced Education Code sections. *Please be advised that the San Mateo Union High School District is NOT a ‘district of choice’ and does not accept interdistrict transfers under this provision.*

ii. “Allen Bill” Transfers (Ed. Code, § 48204(b)): The law allows, but does not require, each school district to adopt a policy whereby the student may be considered a resident of the school district in which his/her parents (or legal guardian(s)) physically work at least 10 hours per school week if that is different from the school district in which the student resides. *Please be advised that the San Mateo Union High School District does Not accept interdistrict transfers under this provision.*

Enrollment Based on Parent and Student Living at Parent's Place of Employment for a Minimum of 3 Days During the School Week. Parents/guardians may apply for the enrollment of their child in a school district in which the parent/guardian is employed, and where the parent and child live at the parent/guardian’s place of employment for a minimum of 3 days during the school week. (Ed. Code § 48204(a)(7).)

INTERDISTRICT TRANSFER

The law allows two or more districts to enter into an agreement for a period of up to five years for the transfer of one or more students. Once a student is enrolled pursuant to an interdistrict transfer, the student shall not have to reapply for an interdistrict transfer unless the district of resident and district of attendance require reapplication. The agreement must specify the terms and conditions under which transfers are permitted. There are no statutory limitations on the kinds of terms and conditions districts are allowed to place on transfers. Districts may not rescind existing transfer permits for students preparing to enter grades 11 or 12. The law on interdistrict transfers also provides for the following:

- If either district denies a transfer request, a parent/guardian may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.

The [Interdistrict](#) and [Intradistrict Transfers](#) Board Policies are online. Parents/guardians interested in more information on the interdistrict or intradistrict transfers process should contact Student Services at the District Office (650) 558-2259. (Education Code §§ 46600-46611.)

CHILDREN IN HOMELESS SITUATIONS

Each local district shall appoint a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. Please contact the Director of Student Services at 650-558-2257 for additional information regarding educational services for children in homeless situations. (42 U.S.C. § 11432 (g) (I) (J)(ii), (g)(6).)

NOTICE OF ALTERNATIVE SCHOOLS

California state law authorizes all school districts to provide for alternative schools. Section 58500 of the Education Code defines alternative school as a school or separate class group within a school, which is operated in a manner designed to:

- a. Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
- b. Recognize that the best learning takes place when the student learns because of his/her desire to learn.
- c. Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may be conceived by him/her totally and independently or may result in whole or in part from a presentation by his/her teachers of choices of learning projects.
- d. Maximize the opportunity for teachers, a parent/guardian, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process.
- e. Maximize the opportunity for the students, teachers, and a parent/guardian to continuously react to the changing world, including, but not limited to, the community in which the school is located.

In the event any parent/guardian, student, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this District, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the Governing Board of the District to establish alternative school programs in each District. (Ed. Code § 58501.)

SEXUAL HARASSMENT POLICY

Each student will receive a written copy of the District policy on sexual harassment. The purpose of this policy is to provide notification of the prohibition against sexual harassment as a form of sexual discrimination and to provide notification of available remedies. A copy of the District's policy on sexual harassment is attached. (Ed. Code §§ 231.5 and 48980(g).)

ACCESS TO PROGRAMS AND FACILITIES BASED ON GENDER IDENTITY

Pursuant to state law, students may access sex-segregated programs and facilities, including locker room and restroom facilities, consistent with their gender identity. Any student may request the use of private or unisex restroom facilities for increased privacy. The District endeavors to protect the privacy of all students.

SCHOOL ACCOUNTABILITY REPORT CARD

The Governing Board of each school district maintaining an elementary or secondary school shall develop and cause to be implemented for each school in the school district a School Accountability Report Card. Individuals desiring a copy of the Accountability Report Card should contact the principal's office or visit the District website at <https://www.smuhsd.org/Page/3580>. (Ed. Code § 35256.)

DEADLINE FOR COMPREHENSIVE SCHOOL SAFETY PLAN

Each school is required to report each July on the status of its school safety plan, including a description of its key elements in the annual School Accountability Report Card prepared pursuant to Sections 33216 and 35256. A mandatory component of the school safety plan is a discrimination and harassment policy. (Ed. Code § 32286.)

SCHOOL SAFETY PLAN: NOTICE TO SPECIFIED PERSONS AND ENTITIES

Before adopting its comprehensive school safety plan, each school site council or school safety planning committee is required to hold a public meeting to allow members of the public the opportunity to express an opinion about the school plan. Added to this requirement is the provision that each school site council or school safety planning committee shall notify, in writing specified persons and entities including: the local mayor; a representative of the local school employee organization; representatives of parent organizations including the parent teacher organization at the school site; a representative of the student body government; and all other persons that have indicated they wanted to be notified. (Ed. Code § 32288.)

VIDEO SURVEILLANCE

Video surveillance cameras have been installed on school grounds and buildings to promote a safe school environment for students, staff, and visitors. Video cameras have not been placed in areas where there is a reasonable expectation of privacy or in classrooms unless the teacher has consented to the placement of the camera in his/her classroom. Video surveillance footage will not be actively monitored and will be viewed by authorized District personnel only when necessary. Recordings may be used in disciplinary proceedings and matters captured by the camera may be referred to local law enforcement, as appropriate. The video surveillance cameras will not record audio or other sound(s). (Board Policy 3515.)

EQUAL OPPORTUNITY

Equal opportunities for both sexes in all educational programs and activities run by the District is a commitment made by the District to all students. (Title IX of the Education Amendments of 1972)

For students in grades 7 through 12, the District may release a student for the purpose of obtaining confidential medical services without obtaining the consent of student's parent or guardian. (Ed. Code § 46010.1.)

EXCUSED ABSENCES

No pupil may have his or her grade reduced or lose academic credit for any absence or absences which are excused for the reasons specified below when missed assignments and test that can reasonably be provided are satisfactorily completed within a reasonable period of time. 2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometrical, or chiropractic services rendered.

In those cases where the course is retaken during the summer school, the higher grade will be substituted for the lower grade and the grade point average will be recalculated to determine the student's eligibility for the first grading period of the upcoming school year.
5. There will be no probationary period for any student who fails to meet the District's minimum eligibility standards.

ASBESTOS MANAGEMENT PLANS

Asbestos Management Plans are available for each school in the principal's office. The management plan is a routine document required by federal law for all sites and its preparation does not necessarily mean that a problem exists at any site. The plans may be read at the school site by contacting the principal's office. Individuals wishing to discuss the Asbestos Management Plan should contact the Environmental Health and Safety Specialist at (650) 558-2470.

NOTICE OF PESTICIDE USE

Career and Technical Education (CTE) is offered by the District to help students explore possible careers and gain essential career-readiness skills. In Career and Technical Education courses, students gain real-world experience through hands-on projects that combine rigorous academics with industry-specific technical skills. The curriculum integrates work-based learning opportunities such as guest speakers, field trips, and job shadowing to expose students to a variety of career options. Through projects developed with industry partners, students gain the communication, collaboration, critical thinking and problem-solving skills that will help them succeed in the modern workplace.

SMUHSD offers multi-year CTE pathways in a wide range of industry sectors. These pathways prepare students for postsecondary education and entry into a career. Some of our CTE courses allow students to earn community college credit that is transferrable to CSU/UC. To learn more about the District's career technical education classes, please visit the District's website at: <https://www.smuhsd.org/domain/1238>.

Students are encouraged to meet with school counselors to help them choose courses at their school that will meet college admission requirements or enroll in career technical education courses, or both. Please contact the Assistant Principal of Instruction at your school.

Notification of Rights Under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

- (1) The right to inspect and review the student's education records. Parents or eligible students should submit to the School principal or District Office a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records, without prior consent, to officials of another school district in which a student seeks or intends to enroll.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office - U.S. Department of Education
400 Maryland Avenue, SW, Washington, DC 20202-4500

- Receive notice and an opportunity to opt a student out of:
 1. Any other protected information survey, regardless of funding;

Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screening, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- Inspect, upon request and before administration or use:
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the education curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law. San Mateo Union High School District will/has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. San Mateo Union High School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. San Mateo Union High School District will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. San Mateo Union High School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys.

Following is a list of the specific activities and surveys covered under this requirement:

SERVICES FOR STUDENTS WITH EXCEPTIONAL NEEDS OR A DISABILITY

State and federal law requires that a free and appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. Students classified as individuals with exceptional needs receive appropriate services and placements. Please contact the Special Education Director for specific information. (Ed. Code § 56040 et seq.) In addition, services are available for students who have a disability which interferes with their equal access to educational opportunities. Juvenile Court Students – Graduation Requirements and Continuing Education Options

In addition to being exempt from local graduation requirements and the right to receive credit for coursework completed while in juvenile court schools, the law provides more extensive graduation and continuing education options for former juvenile court students who have qualified for a diploma.

County offices of education must notify juvenile court students who have qualified for a diploma, their educational rights holders, and their social workers or probation officers of the following:

- The student’s right to a diploma without having to complete coursework or other requirements that are in addition to statewide graduation requirements;
- How taking coursework and other requirements adopted by the governing board of the county office of education or continuing education upon release from the juvenile detention facility will affect the student’s ability to gain admission to a postsecondary educational institution;
- Information about transfer opportunities available through the California Community Colleges;

When deciding whether to decline the diploma, the county office of education must advise the student, or if a minor, his/her educational rights holder, whether the student is likely to do all the following upon his/her release from a juvenile detention facility:

Enroll in a school operated by a local educational agency or charter school;

- a. Benefit from continued instruction; and
- b. Graduate from high school.

Complaints of non-compliance with juvenile court students’ graduation and continuing education rights may be filed with the District under its Uniform Complaint Procedures. A complainant not satisfied with the District's decision may appeal to the California Department of Education (CDE) and receive a written decision regarding the appeal within 60 days of the CDE’s receipt of the appeal. (Ed. Code §§ 48645.5 and 48645.7.)

Uniform Complaints – Assigning Students to Course Periods Without Educational Content: Beginning with the 2016-2017 school year, school districts may not assign students in grades 9-12 to course periods without educational content for more than one week in any semester without written parental consent and related documentation. “Course periods without educational content” are defined to include course periods where: (1) a student is released early from school; (2) the student is assigned to a service, instructional work experience or to a course to assist a certificated employee, but is not expected to complete curricular assignments; or (3) where the student is not assigned to any course during the class period.

School districts are also prohibited, without written parental consent and related documentation, from enrolling 9-12th graders in classes they have previously completed and received a grade that is satisfactory to receive a high school diploma and to attend a California public institution of postsecondary education. Non-compliance complaints may be filed under the District’s Uniform Complaint Procedures. A complainant not satisfied with the district's decision may appeal to the CDE and receive a written decision from the CDE within 60 days. (Ed. Code §§ 51228.1, 51228.2, and 51228.3.)

Uniform Complaints – Lactation Accommodations for Parenting Students

School districts must provide reasonable accommodations to lactating students on school campuses to express breast milk, breast-feed an infant child or address other needs related to breast-feeding. A student may not incur an academic penalty as a result of her use of reasonable lactation accommodations and must be provided an opportunity to make up any work missed due to such use. A complaint of noncompliance with this provision may be

filed under the District's Uniform Complaint Procedures. Complainants not satisfied with the school district's decision may appeal to the CDE and receive a written decision within 60 days. (Ed. Code § 222(f).)

(cf. 3460 - Financial Reports and Accountability)

Transportation

Upon parent/guardian request, the District shall provide transportation assistance to a student receiving an interdistrict transfer who is eligible for free and reduced price meals and is the child of an active duty military parent/guardian or a victim of bullying as defined but Education Code 46600. (EducationCode46600)

(cf. 3553 - Free and Reduced Price Meals)

SAN MATEO UNION HIGH SCHOOL DISTRICT
April 2, 2020

**SAN MATEO UNION HIGH SCHOOL DISTRICT [5000]
SEXUAL HARASSMENT BOARD POLICY 5145.7 Students**

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against any person who reports, files a complaint or testifies about, or otherwise supports a complainant in alleging sexual harassment.

The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee. Any employee who receives a report or observes an incident of sexual harassment shall notify the principal or a district compliance officer. Once notified, the principal or compliance officer shall take the steps to investigate and address the allegation, as specified in the accompanying administrative regulation.

The Superintendent or designee shall take appropriate actions to reinforce the district's sexual harassment policy.

Instruction/Information

The Superintendent or designee shall ensure that all district students receive age-appropriate information on sexual harassment. Such instruction and information shall include:

1. What acts and behavior constitute sexual harassment, including the fact that sexual harassment could occur between people of the same sex and could involve sexual violence
2. A clear message that students do not have to endure sexual harassment under any circumstance
3. Encouragement to report observed incidents of sexual harassment even where the alleged victim of the harassment has not complained
4. A clear message that student safety is the district's primary concern, and that any separate rule violation involving an alleged victim or any other person reporting a sexual harassment incident will be addressed separately and will not affect the manner in which the sexual harassment complaint will be received, investigated, or resolved
5. A clear message that, regardless of a complainant's noncompliance with the writing, timeline, or other formal filing requirements, every sexual harassment allegation that involves a student, whether as the complainant, respondent, or victim of the harassment, shall be investigated and prompt action shall be taken to stop any harassment, prevent recurrence, and address any continuing effect on students
6. Information about the district's procedure for investigating complaints and the person(s) to whom a report of sexual harassment should be made
7. Information about the rights of students and parents/guardians to file a civil or criminal complaint, as applicable, including the right to file a civil or criminal complaint while the district investigation of a sexual harassment complaint continues
8. A clear message that, when needed, the district will take interim measures to ensure a safe school environment for a student who is the complainant or victim of sexual harassment and/or other students during an investigation and that, to the extent possible, when such interim measures are taken, they shall not disadvantage the complainant or victim of the alleged harassment

Complaint Process and Disciplinary Actions

Sexual harassment complaints by and against students shall be investigated and resolved in accordance with law and district procedures specified in AR 1312.3 - Uniform Complaint Procedures. Principals are responsible for notifying students and parents/guardians that complaints of sexual harassment can be filed under AR 1312.3 and where to obtain a copy of the procedures.

Upon investigation of a sexual harassment complaint, any student found to have engaged in sexual harassment or sexual violence in violation of this policy shall be subject to disciplinary action. For students in grades 4-12, disciplinary action may include suspension and/or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident(s) shall be taken into account.

Upon investigation of a sexual harassment complaint, any employee found to have engaged in sexual harassment or sexual violence toward any student shall have his/her employment terminated in accordance with law and the applicable collective bargaining agreement.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of sexual harassment to enable the district to monitor, address, and prevent repetitive harassing behavior in district schools.

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)

AR 1312.3(e)

UNIFORM COMPLAINT PROCEDURES (continued)

3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by persons who allege that they have personally suffered unlawful discrimination or who believe that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

AR 1312.3(f)

UNIFORM COMPLAINT PROCEDURES (continued)

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Final Decision

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

AR 1312.3(g)

UNIFORM COMPLAINT PROCEDURES (continued)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the district's final written decision at the same time it is provided to the complainant.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. When required by law, the matter shall be considered in closed session. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)

(cf. 9321.1 - Closed Session Actions and Reports)

If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 calendar days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complainant. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant, shall be sent the district's final written decision, and, in the same manner as the complainant, may file a complaint with the Board if dissatisfied with the decision.

Final Written Decision

For all complaints, the district's final written decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
 - a. Statements made by any witness
 - b. The relative credibility of the individuals involved
 - c. How the complaining individual reacted to the incident
 - d. Any documentary or other evidence relating to the alleged conduct
 - e. Past instances of similar conduct by any alleged offenders
 - f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. The manner in which the misconduct affected one or more students' education
- b. The type, frequency, and duration of the misconduct
- c. The relationship between the alleged victim(s) and offender(s)
- d. The number of persons engaged in the conduct and at whom the conduct was directed
- e. The size of the school, location of the incidents, and context in which they occurred

- f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600
- For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:
- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

- 1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)

UNIFORM COMPLAINT PROCEDURES (continued)

- 2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
- 3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

(cf. 5137 - Positive School Climate)

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

(cf. 6164.2 - Guidance/Counseling Services)

2. Academic support

3. Health services

4. Assignment of an escort to allow the victim to move safely about campus

5. Information regarding available resources and how to report similar incidents or retaliation

6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim

7. Restorative justice

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law

2. Parent/guardian conference

3. Education regarding the impact of the conduct on others

UNIFORM COMPLAINT PROCEDURES (continued)

4. Positive behavior support

5. Referral to a student success team

(cf. 6164.5 - Student Success Teams)

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

(cf. 6145 - Extracurricular and Cocurricular Activities)

7. Disciplinary action, such as suspension or expulsion, as permitted by law

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51222, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 15 calendar days of receiving the district's decision. (5 CCR 4632)

The complainant shall specify the basis for the appeal of the decision and how the facts of the district's decision are incorrect and/or the law has been misapplied. The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's decision in that complaint. (5 CCR 4632)

UNIFORM COMPLAINT PROCEDURES (continued)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, the respondent, in the same manner as the complainant, may file an appeal with CDE.

Upon notification by CDE that the district's decision has been appealed, the Superintendent or designee shall forward the following documents to CDE: (5 CCR 4633)

Student Use of Technology BP 6163.4

The Governing Board intends that technological resources provided by the district be used in a safe and responsible manner in support of the instructional program and for the advancement of student learning. All students using these resources shall receive instruction in their proper and appropriate use.

Teachers, administrators, and/or library media specialists are expected to review the technological resources and online sites that will be used in the classroom or assigned to students in order to ensure that they are appropriate for the intended purpose and the age of the students.

The Superintendent or designee shall notify students and parents/guardians about authorized uses of district technology, user obligations and responsibilities, and consequences for unauthorized use and/or unlawful activities in accordance with this Board policy and the district's Acceptable Use Agreement.

District technology includes, but is not limited to, computers, the district's computer network including servers and wireless computer networking technology (wi-fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally owned equipment or devices.

Before a student is authorized to use district technology, the student and his/her parent/guardian shall sign and return the Acceptable Use Agreement. In that agreement, the parent/guardian shall agree not to hold the district or any district staff responsible for the failure of any technology protection measures or user mistakes or negligence and shall agree to indemnify and hold harmless the district and district staff for any damages or costs incurred.

The district reserves the right to monitor student use of technology within the jurisdiction of the district without advance notice or consent. Students shall be informed that their use of district technology, including, but not limited to, computer files, email, text messages, instant messaging, and other electronic communications, is not private and may be accessed by the district for the purpose of ensuring proper use. Students have no reasonable expectation of privacy in use of the district technology. Students' personally owned devices shall not be searched except in cases where there is a reasonable suspicion, based on specific and objective facts, that the search will uncover evidence of a violation of law, district policy, or school rules.

The Superintendent or designee may gather and maintain information pertaining directly to school safety or student safety from the social media activity of any district student in accordance with Education Code 49073.6 and BP/AR 5125 - Student Records.

Whenever a student is found to have violated Board policy or the district's Acceptable Use Agreement, the principal or designee may cancel or limit a student's user privileges or increase supervision of the student's use of the district's equipment and other technological resources, as appropriate. Inappropriate use also may result in disciplinary action and/or legal action in accordance with law and Board policy. The Superintendent or designee, with input from students and appropriate staff, shall regularly review and update procedures to enhance the safety and security of students using district technology and to help ensure that the district adapts to changing technologies and circumstances.

Internet Safety

The Superintendent or designee shall ensure that all district computers with Internet access have a technology protection measure that protects against access to visual depictions that are obscene, child pornography, or harmful to minors and that the operation of such measures is enforced. (20 USC 6777; 47 USC 254; 47 CFR 54.520)

To reinforce these measures, the Superintendent or designee shall implement rules and procedures designed to restrict students' access to harmful or inappropriate matter on the Internet and to ensure that students do not engage in unauthorized or unlawful online activities.

Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes, in a patently offensive way, sexual conduct and which lacks serious literary, artistic, political, or scientific value for minors. (Penal Code 313)

The district's Acceptable Use Agreement shall establish expectations for appropriate student conduct when using the Internet or other forms of electronic communication, including, but not limited to, prohibitions against:

1. Accessing, posting, submitting, publishing, or displaying harmful or inappropriate matter that is threatening, obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion, or political beliefs
2. Intentionally uploading, downloading, or creating computer viruses and/or maliciously attempting to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking"
3. Distributing personal identification information, including the name, address, telephone number, Social Security number, or other personally identifiable information, of another student, staff member, or other person with the intent to threaten, intimidate, harass, or ridicule that person

The Superintendent or designee may provide age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services. Such instruction shall include, but not be limited to, the dangers of posting one's own personal identification information online, misrepresentation by online predators, how to report inappropriate or offensive content or threats, behaviors that constitute cyberbullying, and how to respond when subjected to cyberbullying.

SAN MATEO UNION HIGH SCHOOL DISTRICT
May 7, 2020

EDUCATION CODE SECTION 49073

School districts shall adopt a policy identifying those categories of directory information as defined in subdivision (c) of Section 49061 that may be released. The school district shall determine which individuals, officials, or organizations may receive directory information. However, no information may be released to a private profitmaking entity other than employers, prospective employers, and representatives of the news media, including, but not limited to, newspapers, magazines, and radio and television stations. The names and addresses of pupils enrolled in grade 12 or who have terminated enrollment before graduation may be provided to a private school or college operating under Chapter 8 (commencing with Section 94800) of Part 59 of Division 10 of Title 3 or its authorized representative. However, no such private school or college shall use that information for other than purposes directly related to the academic or professional goals of the institution, and a violation of this provision is a misdemeanor, punishable by a fine of not to exceed two thousand five hundred dollars (\$2,500). In addition, the privilege of the private school or college to receive the information shall be suspended for a period of two years from the time of discovery of the misuse of the information. Any school district may limit or deny the release of specific categories of directory information to any public or private nonprofit organization based upon a determination of the best interests of pupils.

(b) Directory information may be released according to local policy as to any pupil or former pupil. However, notice shall be given at least on an annual basis of the categories of information that the school district plans to release and of the recipients. Directory information shall not be released regarding a pupil if a parent of that pupil has notified the school district that the information shall not be released.

(c) Directory information shall not be released regarding a pupil identified as a homeless child or youth, as defined in paragraph (2) of Section 725 of the federal McKinney-Vento Homeless Assistance Act (42 USC. Sec. 11434a(2)), unless a parent, or pupil accorded parental rights, as identified in the federal Family Educational Rights and Privacy Act (20 USC. Sec. 1232g), has provided written consent that directory information may be released.
